

VACCINATION-DIFFERENTIATED

Safe Management Measures at

Shopping Malls and Large Standalone Stores

(Effective from 1 January 2022)

Customers can only enter if they:

are fully vaccinated

have recovered from a
COVID-19 infection

are Medically Ineligible

are children aged 12
and below
(i.e. born in or after 2009)

If unvaccinated

Concessions only for

Visits to and drop-off of children/elderly at
licensed medical services, including
registered TCM practitioners
(with proof of appointment)

Drop-off and pick-up
at preschools/childcare centres
(with support letter from school)

Customers need to present their TraceTogether token/app, HealthHub app, relevant MOH documentation or other proof of appointment/support for verification. The establishment reserves the right to reject any individual without the necessary verification.
